

2009-2011 Recognition of New

Member Sponsors

By Pamela Nunnelly, Chair, International Membership Development Committee

It is with pleasure that the International President and Membership Development Committee introduce the highly anticipated Sponsorship Recognition Program. So let us roll it out:

Criteria:

1. Any individual who sponsors a new member will be recognized on a special International web site page currently under development.
2. Additional recognition will be given when an individual has sponsored two (2) new members (and for any multiple of two thereof).

For example:

- The initial sponsor recognition will consist of a PIN that is the number two (2). The sponsor will also receive a congratulatory postcard from the International President and an e-mail from the Membership Development Committee.
 - At any given time, an individual will have a PIN that tells how many total members (in increments of two) they have sponsored. This total is a running total.
 - If someone sponsored four (4) new members each year of the 2009-2011 biennium, they would be wearing a number eight (8) pin.
 - This concept was developed as a way to honor those who have gone above and beyond.
3. Recognition for bringing in a new member will be based on the first listed sponsor on the membership application.

We hope that you will continue to invest in the future of Altrusa International, Inc. by helping US to be on the path to growth!

NOTE: Each NEW MEMBER will also receive a welcome e-mail from the International Membership Development Committee. Sponsor pins will be presented at District Conferences annually.
