

ALTRUSA

A Great Investment!

Pamela Nunnely & Janis McNemar

2009-2011 Membership Development/New Club Building

Have you ever thought of establishing a new club in your area as a service project? Helping build a new club is a wonderful way to invest in the future of Altrusa leadership and to put into action Altrusa's commitment to community service. Not only will the community benefit, so will those who become Altrusans.

Below is a sample of an article that can be placed in the newspaper in the community where you think there would be an interest in establishing an Altrusa club:

PROFESSIONAL INTERNATIONAL LEADERSHIP AND COMMUNITY SERVICE ORGANIZATION FORMING LOCAL CLUB:

Are you a working individual trying to have it all, trying to develop or maintain your career or business, family obligations or a retired professional? If so, I'd like to make you aware of an opportunity to make a real difference in our community. To step up to a higher level of volunteerism, to work alongside other local leaders, and become more fully alive.

It starts by saying "yes" to an organization called Altrusa International, Inc.

Altrusa International Inc. is looking for individuals to form a new Altrusa Club in this area. Altrusa is open to active and retired professional people in various leadership positions and fields, including business owners. Meetings will be held on a regular basis, with business and career-related, community service and individual special interest topics. Along with leadership development there will be a major focus on community service literacy based projects.

Altrusa is an international association of professional women and men who volunteer their energies and expertise in projects dedicated to community betterment. Altrusa global priorities include literacy, AIDs, and the environment, though each club has its own community initiatives as well. Altrusa offers a place to give and grow.

Interested individuals should contact Pam @ membershipdevelopment@altrusa.com or Janis @ newclubs@altrusa.com.

International Membership Development/New Club Building Committee has set a goal of establishing ONE new club in each District over the next two years. We will be working in all communities interested in establishing Altrusa Clubs. We are **willing**, *available* and ready to assist you in any way we can to help establish a club in your area. Please help us meet and exceed our goal by investing in Altrusa's future!
